RE: The Glen in Stone Oak
(File #86-16-65-42)

Dear Mr. Niles:

This is to inform you that the POADP Committee has reviewed and accepted your proposed plan for The Glen in Stone Oak. The plan is in general conformance with Chapter 30 (formerly Chapter 36).

Please note that this action does not establish any commitment for the provision of utilities or services of any type now or in the future by the City of San Antonio. Additionally, this action does not confer any vested rights to plat under the existing Subdivision Regulations. Any platting will have to comply with the Subdivision Regulations in force at the time of platting.

If you have any questions regarding this matter, please contact Roy Ramos or Edward Guzman at 299-7900.

Sincerely,

A handwritten signature in cursive script that reads "M C O'Neal".

PRELIMINARY OVERALL AREA DEVELOPMENT PLAN
THE GLEN in Stone Oak
Sitterle Properties

DEVELOPMENT INFORMATION

1. DEVELOPER: Sitterle Properties
3520 N. F.M. 1604 East
San Antonio, TX 78247
Attn: Mr. Brian McDonough
2. ENGINEER: Rosin, Kroesche & Lambert, Inc.
5805 Callaghan Road, Suite 300
San Antonio, TX 78228
Attn: Mr. Joseph L. Kroesche, P.E.

3. DEVELOPMENT CONCEPT:

This project will utilize a combination of single-family residential homes and a high density residential development. Development of Unit 1 will begin in 1986. Unit 2 is anticipated to be developed within twelve to eighteen months.

Unit 1 will utilize a single-family residential concept with an average density of approximately 4.5 units per acre. Lots will vary in width from 50 to 80 feet, with the majority in the 55 to 60-foot width range. Average depth of these lots will be 115 feet, with lots adjacent to Knights Cross and Hardy Oak averaging 125 to 130 feet deep. Non-access easements (1-foot) will be platted along both Knights Cross and Hardy Oak as each unit is developed.

Unit 2 is anticipated to utilize a higher density than Unit 1, approximately 10 to 11 units per acre.

4. TRAFFIC STREETS:

The subdivision will have two entrances, one on Knights Cross, east of the entrance to the Hills of Stone Oak Unit 3 (Arrow Hill), and on Hardy Oak, south of Knights Cross.

Within the two units, streets will be primarily local Type "A" (50-foot right-of-way, 30-foot pavement). As shown on the POADP, one street will be a local Type "B" street (60-foot right-of-way, 40-foot pavement). This street will serve as the main entrance to this subdivision.
